Important Instructions for Fee Payment

- The above fee is all-inclusive, covering a brand-new MacBook, 4-year Adobe CC license, professional certifications, and design software access.
- Students must have an entry level DSLR camera. This is not included in the program fee structure and must be procured independently by the student prior to commencement of the program.
- The balance Year 1 fees must be paid within 30 days of accepting the Offer of Admission. If Year 1 fee is not paid on time, the admission will be revoked.
- If a student appears for the ITM IDM Scholarship Entrance Test, the fees must be paid within 90 days, or by 31st March 2026, whichever comes earlier.
- A late fee of ₹5,000 will be applicable if payment is made after the due date mentioned in the timeline. Additionally, if you fail to reserve your seat or fail to pay the program fee within the specified timeline, we will not be able to hold your seat, and it may be offered to candidates on the waitlist.
- Fees for subsequent years must be paid as per the timelines listed below.
- Any scholarship or fee waiver granted will be withdrawn if the fee is not paid as per the fee schedule.

ITM IDM Facilities and Equipment Requirements:

- ITM IDM's computer labs feature powerful workstation PCs installed with the required design software as per the training curriculum, accessible to students during practical training sessions.
- Additional free student-licensed software is available online at no cost. Students are not required to purchase any software.
